Cookie Policy for Petlas

At Petlas, accessible from www.petlas.com, one of our main priorities is the privacy of our visitors. This Cookie Policy document contains types of information that is collected and recorded by petlas.com and how we use it.

What Are Cookies?

Cookies are small files that are placed on your computer, mobile device or any other device by a website, containing details of your browsing history on that website among its many uses.

How We Use Cookies?

The cookies we use enable us to improve the functionality of our site and help us to understand which sections of the website you find most interesting and useful. We specifically use Google **Analytics cookies** to understand how you interact with our site in order to improve your user experience.
The October CMS cookies are used to ensure our website works efficiently, and they help us provide you with a smooth browsing experience.

Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this).

The Cookies We Set

Strictly Necessary Cookies

Strictly necessary cookies are essential for the website to function properly. They enable basic functions like page navigation and ensure the security of the site.

October CMS cookies: These cookies are strictly necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences.

Name	Provider	Purpose	Expiry Date
october_session	OCTOBER CMS	Quick use of the web management panel and instant update	2027-03-13
admin_auth	OCTOBER CMS	It manages the time and automatic exit of users who log in to the panel.	2027-03-13

Statistical Cookies

Statistical cookies are cookies collected to analyze and report the behavior of users on the website. With the help of these we try to improve the experience on the website.

Google Analytics cookies: These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site.

Name	Provider	Purpose	Expiry Date
_ga_5SQ3M947S7	Google	Collects data for website traffic and analysis and improvements	A year
_ga	Google	Collects data for website traffic and analysis and improvements	A year
